Office of the City Clerk Newsletter

May 2026 Edition

Office of the City Clerk

Many people first encounter the City Clerk's Office when watching a City Council meeting, applying to serve on a board or commission, or requesting public records. What may not always be visible is the preparation and coordination that happens beforehand to ensure meetings are properly noticed and accessible to the public in accordance with the Ralph M. Brown Act and the California Public Records Act.

Our office is entrusted with maintaining the official legislative record of the City Council, preserving historical documents, and supporting fair and transparent local elections in coordination with the San Mateo County Elections Office.

We ensure residents have access to information, supporting civic participation, and protecting the integrity of the City's democratic processes. We believe that local government works best when residents feel informed, welcomed, and connected to the decisions that shape their community.

Thank you for your continued engagement and for being an important part of our community!

Important Deadlines Approaching!

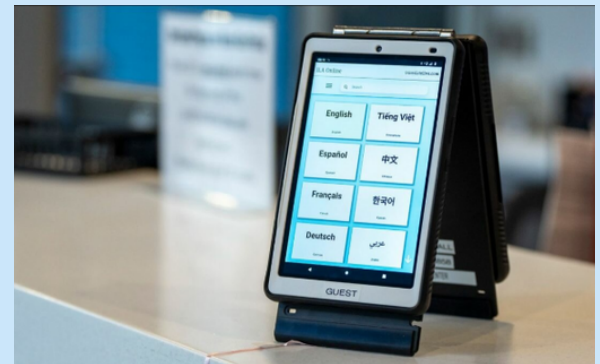

Monday May 18, 2026

Last Day to register to vote for the Primary Election.

Monday Oct 19, 2026

Last Day to register to vote for the November 2026 Election.

Rosa Govea Acosta, City Clerk

Highlighting ILA Translation (Instant Language Assistant)

The City of South San Francisco is excited to introduce Instant Language Assistance (ILA), a new tool that provides real-time translation for City Council and select City meetings.

With ILA, you can choose your preferred language and instantly follow meetings from anywhere, whether you're attending in Council Chambers or joining remotely. Simply scan the QR code to listen and read along in real time.

Launching as a pilot program for City Council and select commission meetings, ILA helps make City meetings more accessible and keeps our diverse community informed, connected, and engaged.
