

South San Francisco

FOOD TRUCK

Permit Reminders

If you are operating a food truck in South San Francisco, you must have the following permits:

- ✓ Business License and Vending Permit from the City of South San Francisco*

- ✓ Mobile Food Facility Permit from the San Mateo County Health Department

Both permits must be renewed annually.

*First, you will apply for a business license, and then the City will give you information about applying for a vendor permit.

Please also remember:

- ✓ You must provide a trashcan for your patrons to use.
- ✓ Clean up all trash around your food truck.
- ✓ Keep the sidewalk clear and open. Don't block the sidewalk with tables or chairs.
- ✓ All disposable products (plates, bowls, utensils, etc.) must be non-plastic, fiber-based, and compostable, per the City's Disposable Foodware Ordinance.

Need help with your City business license and vending permit?

Contact the City's Finance Department
Phone: (650) 877-8505 | Email: buslic@ssfca.gov

Need any additional assistance?

Contact the City's Economic Development Division
