Report regarding the Community Civic Campus quarterly update for Quarter 4 Fiscal Year 2017-2018. *(Marian Lee, Assistant City Manager and Dolores Montenegro, Kitchell Program Manager)*

RECOMMENDATION

It is recommended that City Council receive this Quarter 4 Fiscal Year 2017-2018 report regarding the Community Civic Campus project and confirm direction regarding the recommended Master Plan to advance to Schematic Design.

BACKGROUND

This report provides an update on the Community Civic Campus project for Quarter 4 of Fiscal Year 2017-2018, April 1, 2018 to June 30, 2018.

The Community Civic Campus project proposes to build new Police, Fire, and Library and Parks & Recreation facilities. The project will be built at the northeast corner of El Camino Real and Chestnut Avenue and southeast corner of Arroyo Drive and Camaritas Avenue. Our current facilities are seismically unsafe and/or undersized/underequipped to meet the growing needs of our community and new facilities are needed.

The new main community center will include a welcoming lobby and atrium area for multiple users, a large multipurpose room which will support public meetings as well as theatre performances, a new Library Hub, a new Parks and Recreation Hub, and outdoor space for passive and active recreation. Shared spaces between the Library and Parks and Recreation will allow both departments to maximize their programs for the community.

The new Library Hub will provide larger, quieter spaces that more fully support reading, studying and the use of technology. Teens will have their own “hang out” spot. Four adjacent study rooms of various sizes will help students complete their homework. The Children’s Library will increase in size. In the expanded space, families will enjoy story times among the books in an area comfortably furnished. Early literacy stations will be added to the expanded picture book room for preschoolers. Set apart from the children’s area, the Adult Library will become a quiet reading sanctuary, with views, natural light, and comfortable seating. Finally, state-of-the-art, technology-based learning experiences will be offered in the Discovery Center. The new library and discovery center will feature programs covering a wide range of interests, from basic literacy and computer operation to writing code and building robots.

The new Parks and Recreation Hub will provide flexible, adaptable classrooms and meeting rooms, in addition to specialized activity spaces to allow customized programs. The largest activity space will be larger than the current Social Hall. The new Social Hall will have storage for tables and chairs, and dividers so that smaller activities can also be offered while maximizing space utilization. The dance studios will be larger with appropriate flooring and adjacent dressing rooms. Classrooms will be designed for young children with adjacent restrooms to expand programming, and provide safety and operational control for staff supervising the children. A teaching kitchen will allow for cooking classes that can accommodate more students. Classrooms equipped with sinks, floor drains, and durable furnishings and finishes will allow for “messy” art and other creative activities. The combination of adjacent classrooms and meeting rooms will accommodate small

conferences and meetings that require a lecture area and break-out rooms. There will be several small music rooms for piano, guitar, voice, or other types of music instruction.

The new Police and Fire stations will be designed to the current Essential Services Code Requirement. It will be functional with efficient spaces to meet the operational needs of the public safety departments. The Police facility will include a 911 Emergency Center, support police patrol and spaces for administrative records, communications, investigations, property and evidence, classrooms, physical training, and a firing range. Eighty-one secured surface parking spaces will be provided. The parking spaces will allow for fleet parking and police employee parking. At times, when shift transitions are heavy, police employees will need to utilize parking in nearby areas. The Fire facility will include three apparatus bays, storage, living and dining areas, separate sleeping quarters for males and females, administration and 14 parking spaces for staff and public. These functional areas will provide the best environment for our fire employees and apparatus to efficiently and safely serve our community.

DISCUSSION

Master Plan Recommendation

During Quarter 4, the Master Architect team continued working on validating the program concept with the public and city staff and completed community outreach efforts associated with this phase of the project. The outreach focused on obtaining public input regarding design preferences and user experiences. Findings from program validation and outreach were presented to the City Council on April 25, 2018. The following meetings were held with City Council, Commissions, Committees and special events:

- City Council Study Sessions
- Parks and Recreation Commission (including Friends of Parks and Recreation)
- Library Commission (including Friends of Library)
- Planning Commission
- Cultural Arts Commission
- Bike and Pedestrian Committee
- Measure W Citizens' Oversight Committee
- Neighborhood and Focus Group Meetings
- State of the City Address/Townhall Meeting
- Streets Alive! Parks Alive!

Outreach was supplemented with printed information, surveys, website information, social media and email blasts.

On June 13, 2018, the project team presented to City Council a recommended Master Plan for moving forwarding into Schematic Design. Due to unprecedented construction cost escalation over the last few years, the recommended master plan reflected design compromises to contain project cost (e.g. surface parking, limited open space, higher building density). The recommendation was not well received by the majority of the City Council members. City Council shared concerns related to the Master Plan such as the need to better preserve the architectural vision presented by the Smith Group JJR, when selected as the project Master Architect.

On July 13, 2018, the project team presented to City Council a revised recommended Master Plan with a concept that more closely aligned with the vision presented by the Smith Group JJR during the Master Architect selection process. Attachment 1 reflects the fine-tuned recommended plan based on City Council

discussion and the following describes the basic project parameters that will guide schematic design.

$34 million will be used for program management and design.

$169 million will be allocated to construct the BASE design package which will include the following:

- Site preparation and hard/soft landscaping $18M;
- Police building with 81 fenced/walled surface parking spaces $54M;
- 75,000 gross sq. ft. of Library and Parks & Recreation buildings, including shared atrium/lobby space $83M; and
- 100 parking spaces below the buildings and 120 surface parking spaces $14M.

$14M is the construction cost estimate for the OPTIONAL design packages which will include the following:

- 5,000 gross sq. ft. Community Theatre/City Council Chamber $8M;
- Police parking canopy $2M; and
- Additional soft and hard landscaping $4M.

The Fire Station estimated at $15 million will be designed but it will be built in a future phase when the MSB site is sold to a developer/interested party. Timing of this is to be determined.

The cost estimates include a 10% contingency, and annual construction cost escalation of six percent over the next two and one-half years, as a hedge against rising construction costs. Escalating construction costs continue to be the highest risk to the project. As a further hedge against higher than expected construction costs, the project will have multiple design packages to allow for further construction phasing, if needed.

Other Project Updates

Additional project team efforts accomplished during this quarter include the following:

- Initiated communications and discussions with the Building Trades Council for the Project Labor/Stabilization Agreement (PLA);
- Completed cash flow analysis to inform timing of City bond rating and issuance;
- Completed Geotechnical Report to inform design team on requirements for design of building foundations;
- Initiated communications with Bay Area Rapid Transit (BART) regarding easement agreement to use BART property;
- Coordinated efforts with adjacent development projects, utility undergrounding efforts on Antoinette, Oak Avenue Extension design, and GBI improvements on El Camino Real; and
- Presented to the Measure W Citizens' Oversight Committee regarding the Fiscal Year 2017-18 Quarter 3 Report.

During the upcoming quarter, the project team will:

- Advance the project to Schematic Design;
- Finalize negotiations with the Building Trades Council on the project-specific PLA;
- Complete BART tunnel survey to inform structural design;
- Continue discussions for easement agreement with BART;
- Continue coordinating efforts with adjacent projects; and
- Present project Quarter 4 report to the Citizens' Oversight Committee in August.

For Quarter 4, Fiscal Year 2017-18, $1,620,820 was expended. Total expenditures for Fiscal Year 2017-18 were $2,001,179 leaving a balance of $5.9 million in unspent funds. These unspent funds will roll over to Fiscal Year 2018-19 and used to cover committed expenses. Attachment 2 is the budget summary and listing of active service agreements.

FISCAL IMPACT

This item has no impact on the City budget. The project budget for construction will be formally approved by City Council next year fiscal year.

CONCLUSION

The next quarterly update to City Council will be presented in October 2018.

Report regarding the Community Civic Campus quarterly update for Quarter 4 Fiscal Year 2017-2018. *(Marian Lee, Assistant City Manager and Dolores Montenegro, Kitchell Program Manager)*

RECOMMENDATION

It is recommended that the Measure W Citizens' Oversight Committee receive this Quarter 4 Fiscal Year 2017-18 report regarding the Community Civic Campus project. There are no actions for consideration at this time.

BACKGROUND/DISCUSSION

The Community Civic Campus project update is presented to the City Council and the Measure W Citizens' Oversight Committee quarterly. Attached is the report that was presented to the City Council on July 25, 2018. The same verbal presentation will be made to the Committee. At its regularly scheduled meeting on July 25, 2018, the City Council provided direction to staff and the Community Civic Campus architect to incorporate the following into the schematic design:

- 75,000 gross square feet of Parks & Recreation and Library buildings, including shared atrium/lobby space;
- 220 surface parking spaces, with future evaluation of the number of required parking spaces that could potentially be reduced in favor of open space;
- Police building with covered parking, exploring the possibility of solar panels; and
- 5,000 square feet community theater.

A rendering of the Community Civic Campus as outlined above is included as Attachment 3.

FISCAL IMPACT

This item is informational and has no impact on the City budget.

CONCLUSION

The next quarterly update to the Committee will be presented in December 2018.

Report regarding Measure W Fiscal Year 2017-18 financial reports as of June 30, 2018. *(Richard Lee, Director of Finance)*

RECOMMENDATION

No formal action is needed. The report is for information only.

BACKGROUND/DISCUSSION

Attached for the Measure W Citizens' Oversight Committee's information are Measure W financial reports through June 30, 2018.

Attachment 1, the Fiscal Year (FY) 2017-18 Measure W Revenue Detail Report, indicates that the City received $1,607,706 in revenue between May and June 2018, which includes the true-up for the first quarter of calendar year 2018, and the April 2018 advance from the California Department of Tax and Fee Administration. Year to date, the City has received $9,203,069 in Measure W revenues. Staff expects that the advances for May and June of 2018 will be received within the 60-day revenue accrual period, thus will be recorded in the revenues for FY 2017-18.

As indicated in Attachment 3, the City expended $2,311,269 in measure W funds between May and June 2018. This principally reflects capital project expense allocations as follows, with accompanying project expense detail reports and supporting documentation provided in Attachments 4-6:

- Community Civic Campus (pf1707): $1,581,589;
- Antoinette Lane Underground Utility District (st1702): $26,320; and
- Year 2 of the 5-Year Paving Program (st1705): $681,010.

The City Council approved a contract with Partnership Resources Group (PRG) in the amount of $76,000, to provide professional fundraising services for the Community Civic Campus project. In the reporting period, the City paid PRG $22,350.

As of June 30, 2018, the City expended $4,148,106 of Measure W funds in FY 2017-18. Compared to the FY 2017-18 Amended Budget of $13,900,705 reflected in Attachment 2, the budget remainder is $9,752,599. These funds, which represent unexpended budget appropriations for capital improvement projects, will be committed as a reserve for current capital projects and serve as a budget amendment in FY 2018-19.

The balance sheet report, included as Attachment 7, and lists all assets, liabilities, and equities for Measure W, indicates a cash balance of $14.3 million as of June 30, 2018.

CONCLUSION

Measure W revenues and expenditures are expected to remain aligned with the FY 2017-18 adopted budget. The funding from available resources and projected revenues are expected to be sufficient to offset the cost of current year appropriations.

Re: City of South San Francisco – Community Civic Campus Progress Report
Progress Bill No.: 001 for the time period January 24, 2018 – April 30, 2018

BKF Engineers performed the following services for the project:

Community Center / Police Station / Fire Department
The field survey team...

- set targets for aerial photogrammetry
- establish project control through the site
- located and collected positional data on survey monuments found in street centerlines and property lines through the site
- collected topographic data to supplement the aerial photogrammetry for design purposes

The office team...

RE: **Progress Report In Support of Invoice 1801-03**
Covering the time period: (2 months: April 1 through May 31, 2018)
Economic Validation of South San Francisco Community Civic Campus Program Elements
Measure W -- Community Civic Center Program Project

During April and May 2018, Land Economics Consultants performed the following services:

- Received feedback on 3/20/18 version of report; an Executive Summary was needed.
- A draft Executive Summary was prepared, and submitted to the team 4/5/18.
- In response to comments from Kitchell and SGJJR, a revised version was resubmitted on 4/5/18.
- A reordered and revised version of the entire 29-page memorandum report was also prepared and submitted 4/5/18.
- LEC requested feedback on the 4/5/18 versions and Kitchell confirmed with the Parks and Recreation Director that the Executive Summary was fine on 5/21/18.
- On 5/21/18, LEC issued final versions with that new date of both documents: Executive Summary and full report to team. However, the SGJJR team indicated the new date created conflicts with document flow on the project. As such LEC was requested that final reports be provided with original date of April 5, 2018.
- Final versions of both documents were reissued, with the original 4/5/18 date retained to keep the work in its proper context within the team effort.
- A second version with 28 pages, but still keeping 4/5/18 date, was created in response to one last comment by the Library Director.
- Task 4 memo preparation 100% complete.

Wed Feb 7	1934	Depart **SAN FRANCISCO, CA** (SFO) on Southwest Airlines at **08:05 AM** Arrive in **DALLAS (LOVE FIELD), TX** (DAL) at **01:35 PM** Travel Time 3 hrs 30 mins Wanna Get Away

Check in for your flight(s): 24 hours before your trip on Southwest.com or your mobile device to secure your boarding position. You'll be assigned a boarding position based on your check-in time. The earlier you check in within 24 hours of your flight, the earlier you get to board.

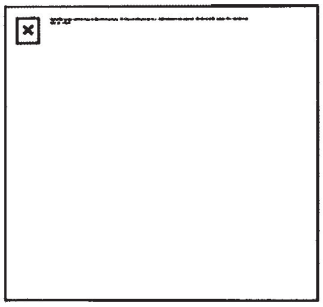
Bags fly free®: First and second checked bags. Weight and size limits apply. One small bag and one personal item are permitted as carryon items, free of charge.

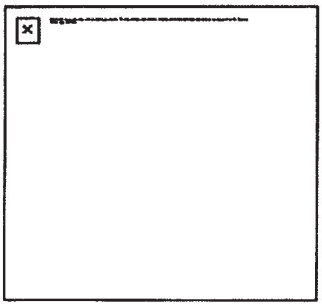
30 minutes before departure: We encourage you to arrive in the gate area no later than 30 minutes prior to your flight's scheduled departure as we may begin boarding as early as 30 minutes before your flight.

10 minutes before departure: You must obtain your boarding pass(es) and be in the gate area for boarding at least 10 minutes prior to your flight's scheduled departure time. If not, Southwest may cancel your reserved space and you will not be eligible for denied boarding compensation.

If you do not plan to travel on your flight: In accordance with Southwest's No Show Policy, you must notify Southwest at least 10 minutes prior to your flight's scheduled departure if you do not plan to travel on your flight. Customers who fail to cancel reservations for a Wanna Get Away fare segment at least ten (10) minutes prior to travel and who do not board the flight will be considered a no show, and all remaining unused Wanna Get Away funds will be forfeited. All remaining unused Business Select and Anytime funds will be converted to reusable travel funds. If you no show your reward travel reservation, the points will be redeposited to the purchaser's Rapid Rewards account. Any taxes and fees associated with your reward travel reservation will be held for future use in the form of reusable travel funds under the name of the traveler(s).

Customers calling Southwest to request a refund or to research travel funds for a specific ticket must provide their confirmation number, ticket number or flight information (date, origin and destination).





Air Cost: 344.96

Fare Rule(s): 5261410580416: NONREFUNDABLE/NONTRANSFERABLE STANDBY REQ UPGRADE TO Y -BG WN
Valid only on Southwest Airlines. All travel involving funds from this Confirmation Number must be completed by the expiration date. Unused travel funds may only be applied toward the purchase of future travel for the individual named on the ticket. Any changes to this itinerary may result in a fare increase. Failure to cancel reservations for a Wanna Get Away fare segment at least 10 minutes prior to travel will result in the forfeiture of all remaining unused funds.

NEW SERVICE & SUPPORT ANIMAL REQUIREMENTS

Delta welcomes trained service animals, including psychiatric service and emotional support animals on our flights. Effective March 1, 2018 we are changing our requirements. For these requirements please go to: delta.com/animals.

AUTOMATIC CHECK-IN NOW AVAILABLE

We've added Automatic Check-In to the Fly Delta app to save you time and hassle. This means if you're traveling in the United States, Puerto Rico or the U.S Virgin Islands, we'll automatically

check you in 24 hours prior to your scheduled departure. Just open the app and you'll be on your way. Don't have the app? Click here to download. Learn more about automatic check-in.

RESTRICTED HAZARDOUS ITEMS

To ensure the safety of our customers and employees, **Delta will no longer accept smart bags with non-removable lithium-ion batteries** as carry-on or checked baggage on any Delta mainline or Connection flight. For more information, please visit our News Hub.

Hoverboards or any lithium battery powered self-balancing personal transportation devices are also not permitted as both carry-on and checked baggage.

Spare batteries for other devices, fuel cells, and e-cigarettes are permitted in carry-on baggage only. If your carry-on bag contains these items and is gate checked, they must be removed and carried in the cabin. Further information and specific guidelines regarding restricted items can be found here.

Order Changes and Cancellations

Changes and/or cancellations can be made prior to the day of the order at no charge.

Click here and sign in to access your future orders (or look under My Account/Future Orders at Specialtys.com).

You may edit orders 3 hours prior to (a) the pickup time or (b) the beginning of the scheduled delivery time.

For cancellations with less notice, we offer the following three options:

1. 50% charge for complete cancellation
2. 25% charge to change the order to a different day
3. Receive the order

If you have questions or need any further assistance, please visit www.specialtys.com/contactus.aspx or call us at 877.502.2837 from 5:00am to 5:30pm Pacific Time, Monday - Friday.

Bread and Dessert Substitution Policy

Specialty's offers a made-from-scratch menu and we occasionally run out of items. If we run out, we will make the following automatic substitutions to ensure your order is received in a timely manner:

1. Sandwich Bread - Fresh Ciabatta
2. Cookies - Semi-Sweet Chocolate Chunk
3. Brownies - Double Fudge

This is not an invoice - Invoices or receipts for orders larger than $20 are emailed at 5pm on the day the order is fulfilled.

NEW SERVICE & SUPPORT ANIMAL REQUIREMENTS

Delta welcomes trained service animals, including psychiatric service and emotional support animals on our flights. Effective March 1, 2018 we are changing our requirements. For these requirements please go to: delta.com/animals.

AUTOMATIC CHECK-IN NOW AVAILABLE

We've added Automatic Check-In to the Fly Delta app to save you time and hassle. This means if you're traveling in the United States, Puerto Rico or the U.S Virgin Islands, we'll automatically check you in 24 hours prior to your scheduled departure. Just open the app and you'll be on your way. Don't have the app? Click here to download. Learn more about automatic check-in.

RESTRICTED HAZARDOUS ITEMS

To ensure the safety of our customers and employees, **Delta will no longer accept smart bags with non-removable lithium-ion batteries** as carry-on or checked baggage on any Delta mainline or Connection flight. For more information, please visit our News Hub.

Hoverboards or any lithium battery powered self-balancing personal transportation devices are also not permitted as both carry-on and checked baggage.

Spare batteries for other devices, fuel cells, and e-cigarettes are permitted in carry-on baggage only. If your carry-on bag contains these items and is gate checked, they must be removed and carried in the cabin. Further information and specific guidelines regarding restricted items can be found here.

Hi Carol:

Thanks for the expense backup. I'll note the revised amount on the invoice no need to resubmit your invoice.

Thanks

Kevin

Kevin,

Here's the backup - and it turns out the total is $6, not $6.05. so $.25 difference.....

Do let me know about the payments and if I need to resubmit the April invoice.

Many thanks,
Carol

A few thoughts on the documents submitted. Highlighted on the attached. There is a dinner cost for Michael Johnson in the amount of 120.50... this seems a bit out of sort and while the City does not have a set limit on per diem costs, there is an expectation that consultants being paid from public funds are being judicious in their expenditures. Please address/respond then resubmit for review and recommendation to City.

Thank you.

30 minutes before departure: We encourage you to arrive in the gate area no later than 30 minutes prior to your flight's scheduled departure as we may begin boarding as early as 30 minutes before your flight.

10 minutes before departure: You must obtain your boarding pass(es) and be in the gate area for boarding at least 10 minutes prior to your flight's scheduled departure time. If not, Southwest may cancel your reserved space and you will not be eligible for denied boarding compensation.

If you do not plan to travel on your flight: In accordance with Southwest's No Show Policy, you must notify Southwest at least 10 minutes prior to your flight's scheduled departure if you do not plan to travel on your flight. Customers who fail to cancel reservations for a Wanna Get Away fare segment at least ten (10) minutes prior to travel and who do not board the flight will be considered a no show, and all remaining unused Wanna Get Away funds will be forfeited. All remaining unused Business Select and Anytime funds will be converted to reusable travel funds. If you no show your reward travel reservation, the points will be redeposited to the purchaser's Rapid Rewards account. Any taxes and fees associated with your reward travel reservation will be held for future use in the form of reusable travel funds under the name of the traveler(s).

Need to make a change? Keep your confirmation number on record. It will be used to retrieve your reservation and apply funds to future travel.

[1] All travel involving funds from this Confirmation Number must be completed by the expiration date.
[2] Security Fee is the government-imposed September 11th Security Fee.

Prohibition on Multiple/Conflicting Reservations. To promote seat availability for our Customers, Southwest prohibits multiple reservations for the same Passenger departing from the same city on the same date, or any multiple reservations containing conflicting or overlapping itineraries (such as departures for the same Customer from multiple cities at the same time). Furthermore, without advance notice to the Passenger or purchaser, Southwest may cancel such reservations, or any other reservations that it believes, in its sole discretion, were made without intent to travel. With the exception of Southwest gift cards, funds from proactively cancelled reservations by Southwest will be returned to the original form of payment. Reservations paid for with a Southwest gift card will have the amount applied from the gift card held as travel funds for use by the Customer on a future Southwest Airlines flight.

NEW SERVICE & SUPPORT ANIMAL REQUIREMENTS

Delta welcomes trained service animals, including psychiatric service and emotional support animals on our flights. Effective March 1, 2018 we are changing our requirements. For these requirements please go to: delta.com/animals.

AUTOMATIC CHECK-IN NOW AVAILABLE

We've added Automatic Check-In to the Fly Delta app to save you time and hassle. This means if you're traveling in the United States, Puerto Rico or the U.S Virgin Islands, we'll automatically check you in 24 hours prior to your scheduled departure. Just open the app and you'll be on your way. Don't have the app? Click here to download. Learn more about automatic check-in.

RESTRICTED HAZARDOUS ITEMS

To ensure the safety of our customers and employees, **Delta will no longer accept smart bags with non-removable lithium-ion batteries** as carry-on or checked baggage on any Delta mainline or Connection flight. For more information, please visit our News Hub.

Hoverboards or any lithium battery powered self-balancing personal transportation devices are

also not permitted as both carry-on and checked baggage.

Spare batteries for other devices, fuel cells, and e-cigarettes are permitted in carry-on baggage only. If your carry-on bag contains these items and is gate checked, they must be removed and carried in the cabin. Further information and specific guidelines regarding restricted items can be found here.

Presentation regarding Community Civic Campus debt financing *(Sarah Hollenbeck, Managing Director, PFM Financial Advisors)*

RECOMMENDATION

This is an information item. No formal action is required.

BACKGROUND/DISCUSSION

During the previous meeting of the Measure W Citizens' Oversight Committee, the committee members expressed an interest in receiving a clearer understanding of how the City will finance the cost of the Community Civic Campus. PFM, as the City's financial advisor, will present the attached information in response to the committee's request.

CITY OF SOUTH SAN FRANCISCO

MEASURE W PROGRAM FINANCING OVERVIEW

pfm

August 1, 2018

Measure W Overview

- Measure W approved a local half-cent sales tax in November 2015
- The tax became effective April 1, 2016
- The tax has a 30-year term, through March 31, 2046
- The tax is to be used for maintaining and enhancing locally controlled City services, including funding for the Community Civic Campus Program

Community Civic Campus Program

- The Program includes the design and construction of a new Library and Park & Recreation Facility, a new Police station, and a new Fire station
- A notice of proceed has to be issued to Smith Group JJR, the Master Architect, to start the design process
- Construction is projected to begin in February 2020
- Majority of the construction costs will be funded through the issuance of lease revenue bonds or certificates of participation

Lease Revenue Bonds / Certificates of Participation

- Lease revenue bonds or certificates of participation are secured by a pledge of lease payments in respect of an essential asset that is owned by the City. The leased asset may or may not be the facilities funded by the bond proceeds

- For the Community Civic Campus, the City's General Fund will be pledged to make the lease payments, and Measure W sales tax revenues will be used as the budgetary source for the payments

- Lease revenue bonds and COPs are not viewed legally as "debt" because payment is tied to an annual appropriation

- As a result, lease revenue bonds are seen by investors as providing weaker security and typically carry ratings that are one or two notches below an issuer's general obligation rating

Bond Financing Timeline

- The lease revenue bond financing process typically takes three to four months to complete
- Key steps include the drafting of legal and disclosure documents, City Council approval, and obtaining credit ratings

Date	Event
Week 1-3	• Select financing team participants
	• Begin drafting of legal and disclosure documents
Week 3-7	• Legal and disclosure document drafting and review
Week 8-10	• City Council approval process
	• Rating agency meetings
Week 12	• Receive ratings
	• Distribute offering document to investors
Week 14	• Bond Pricing
Week 16	• Bond Closing

Risks and Considerations

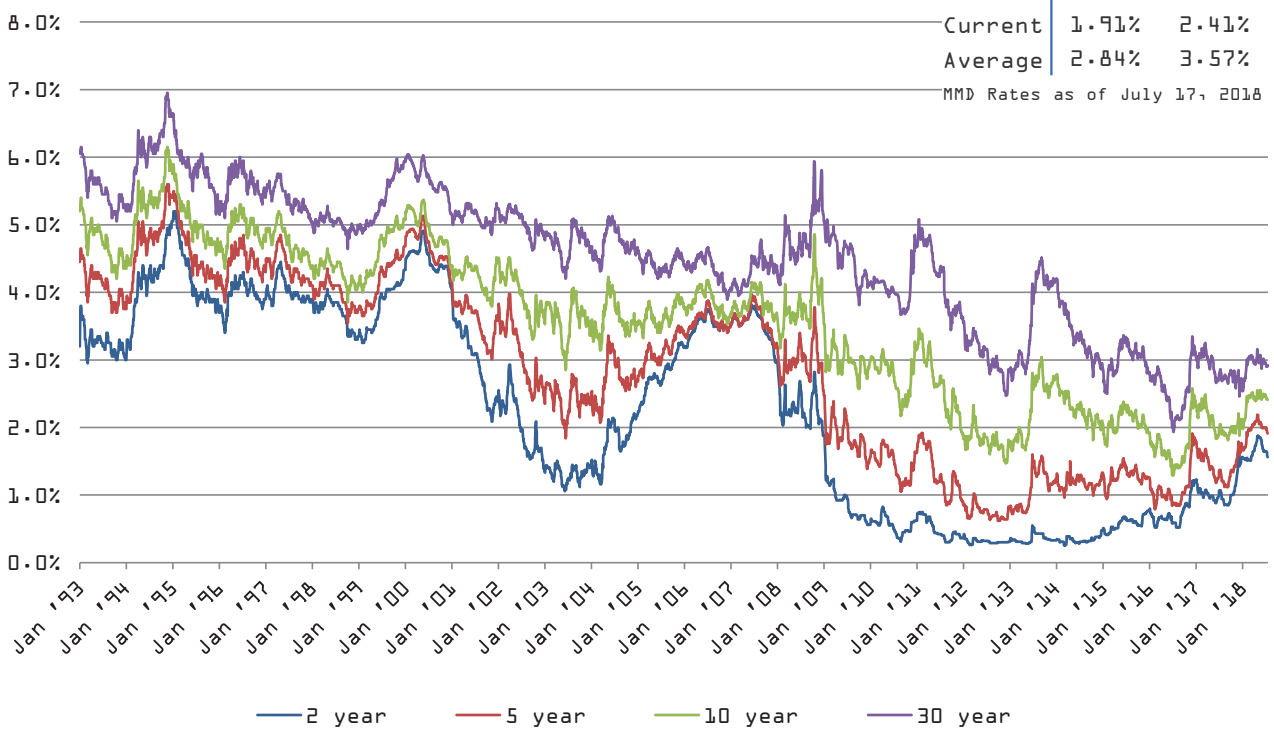
- In determining the timing of issuance for the Measure W program, there are a number of important factors to consider:
  - Interest rate risk
  - Level of project cost and timing certainty
    - Lease revenue bond structuring requirements
  - Tax law compliance
  - Credit rating considerations
  - Negative arbitrage

MMD AAA Index Since 1993

- Tax-exempt interest rates remain well below historic averages, despite recent increases

	5-Year	10-Year	30-Year
Min	0.62%	1.29%	1.93%
Max	5.60%	6.15%	6.95%
Current	1.91%	2.41%	2.92%
Average	2.84%	3.57%	4.49%

MMD Rates as of July 17, 2018



Why Wait to Borrow?

- Given the low level of current interest rates, it is reasonable to be concerned about borrowing sooner rather than later

- However, greater certainty about project costs and greater certainty about construction timing are two important benefits of borrowing closer to the time funds are needed
  - For lease revenue bonds, structuring the bonds appropriately requires knowledge of when the projects will be completed
    - Bond interest must generally be capitalized during construction
    - Rating agencies and investors expect capitalized interest to extend six months beyond the project completion date

Why Wait to Borrow? Cont'd

- Rating agencies also want to have confidence that identified funding sources will be sufficient to complete the project
  - Borrowers often wait until construction bids have been received to issue bonds
- Federal tax law generally requires bond proceeds to be fully expended within three years of issuance
  - Based on "reasonable expectations" at the time of issuance
- With short-term reinvestment rates remaining low relative to long-term borrowing rates, the cost of carrying unspent bond proceeds is also a consideration

Thank You
