Dear IT Department Tony Barrera:

As part of our ongoing commitment to keep you and our customers informed about changes to Xfinity TV services, we wanted to update you that Comcast's right to continue carrying channels owned by Versant on the Digital Economy tier expired on January 8, 2026. The impacted channels remain available through other Xfinity product tiers:

Impacted customers have been notified. We will continue to provide updates to you and our customers as they become available.
