2025 City of South San Francisco Spring Camp Policy & Agreement Form

By initiating this, I acknowledge and will follow all policies and procedures of the City of SFF Spring Camp.

Child's Name _____

Payment Policy

- I understand I must pay all fees at the time of registration.
- There are no credits or refunds for any illness or missed days of camp. There are no refunds for any camp closures. I understand if my child is suspended or demitted from any camps, no refunds will be issued.
- I understand there is a late pick-up fee of \$7.00 per minute per child after 6:00 p.m. I will pay any late fees immediately at pick up time and/or authorize camp to charge my credit card on file for any late fees.

Subsidy Policy

When registering my child for Spring Camp, I agree to pay any required co-payments, family fees, fees incurred due to unexcused absences, and care beyond hours specified on the Child Care Certificate. Any remaining monthly/camp balances that the subsidy provider does not pay I will be responsible for paying. Family fees are due the first of every month. I will review my contract carefully so that I know what I will be responsible for paying. Most subsidies will not cover the required After School tuition and Spring Camp. They will only cover one and I will be responsible for paying the rest. I understand a credit card must be on file for all subsidy campers and will automatically be charged unpaid balances.

I will pay any unfunded portion of April After School tuition and/or Spring Camp fees.

Camp Policies

- I will have my camper arrive at camp no later than 9:00 a.m. If my camper arrives late to camp, they may not be accepted that day and may be demitted from camp if it becomes habitual (3 or more times).
- I will read the information board at camp. It is the responsibility of whoever is dropping off or picking up the camper to check the board for important detailed information.
- I will provide a valid photo ID (not a photo of an ID) when picking up my child and only list people who are over 18 years old as authorized to pick up my child from camp. I will provide a full signature and time for each camper when dropping off or picking up. The sign in/out is kept at the administrative desk at all camps. I will notify the people authorized to pick up my child to provide a valid photo ID and to be prepared to show it and to follow these procedures. I will not use nicknames; I understand that the name on the application must match the name on the driver's license or valid photo ID exactly for all persons authorized to pick up my child.
- I understand that arguing or disputing with staff that request to see an ID may result in my child being suspended or demitted from camp.
- I understand once my child is signed out of camp they may not return, there is no in and out service for Dr. Appt's etc.
- I understand when picking up I must sign the child out with the site coordinator. The site coordinator will call for my child to be brought to me at the sign out area.
- I understand camp will not release a child if there is any suspicion of drug or alcohol use by the adult picking up. All staff are mandated reporters and must report any suspected abuse or neglect.
- I understand if my child is absent, I must email childcareabsence@sff.net when my child is sick or will be absent from camp and notify them of what symptoms they are experiencing.
- I understand Camp is a Nut Free Zone! No nut products will be allowed to be brought to any of our camps. I will check all items for nut products and will not send them in my child's lunch or snack.
- I understand if there is a pattern of late drop off or pick-up (3 times) my child may be demitted from all camps enrolled and no refund will be issued. The clock located at the camp site is the official clock.
- I agree to pick up my child within 1 hour of being called by staff for illness or behavioral issues.

Behavior Expectations/Discipline/Dismissal Policy

It is expected that campers will use their words to solve conflicts and to follow the directions of the staff, coordinators, and supervisors. Some discipline techniques that are used are conflict resolution, redirection, chill out, suspension, loss of activity and expulsion. Corporal punishment is prohibited in all of our programs. While our goal is for each camper to succeed and have fun at camp it may become necessary for the safety of others or the camper to demit a child from camp. If contacted by camp to pick up your child you will need to pick up your child within 1 hour of the phone call, even if we are off site on a fieldtrip. In addition to not complying with our procedures and policies, any of the following may result in suspension and/or dismissal from the Spring Camp.
