

STAY SAFE WITH THESE

HOLIDAY SAFETY TIPS

- 
- Stay aware of your surroundings, especially when using electronic devices.
 - Use ATMs in well-lit, busy areas, or go inside the bank for transactions.
 - Avoid posting holiday travel plans on social media.
 - Have packages delivered to secure locations or picked up by someone you trust.
 - Prevent car break-ins by locking up or hiding valuables when parking.
 - Stay alert when parking or returning to your car, and keep your keys ready.
 - After placing items in your trunk, move your car to deter potential thieves.
 - Be cautious of deals that seem too good to be true—don't share personal information without verifying the source.
 - Research websites before making purchases, and only share information with trusted businesses.
 - If you see something suspicious, report it by calling 9-1-1.
